The Social Ministry Committee met and discussed activities for the remainder of 2019. We decided to have our Christmas Book Drive in October this year. This has become an annual event. Members of St. Paul’s contribute funds which buy books for the Christmas for the Needy Distribution. We typically buy books for teens. We ask that funds be labeled “Books for Christmas”, placed in a colored social ministry envelope, and placed in the offering plate. We will begin on October 6<sup>th</sup> and end on October 27<sup>th</sup>.

The Social Ministry committee will have designated envelopes available for all activities. This will help to keep specially-marked funds recognizable and organized.

We also committed to tying 30 fleece lap robes for the Christmas Program distribution. Seven were tied at God’s Work, Our Hands. Please join us to continue this project on Saturday, October 12<sup>th</sup>, from 9:00 until 12:00. Coffee will be provided!
